MAYOR: *Michael C. Kalnick*

March 11, 2020

Dear Residents,

With spring just around the corner, the Village of Kings Point has begun the milling and paving project that was planned for East Shore Road – from Hicks Lane to Middle Neck Road. The work is expected to take approximately 90 days to complete.

Residents traveling in the area should allow for extra time as street closings and detours are expected throughout the duration of the project. For everyone's safety, please remain cooperative by slowing down, exercising caution and following directions provided by temporary signs and road crews directing traffic.

The job is part of the village's ongoing road improvement initiative and will also include the installation of new Belgian block curbs and drainage upgrades.

Thank you.

Mayor and Board of Trustees
